Dear Sirs:-

Enclosed herewith please find statement of account and the writer's cheque for \$24.20. You will notice that this is \$3.20 less than the account as rendered but we have taken up with Mr. Benson the payment of the additional \$3.50 and we understand he will make this payment direct to you.

The writer would take this opportunity of stating his appreciation of the very excellent dinner and the service provided and regrets that he is not able to remunerate such service in view of the fact that the dinner was run at a loss as so few attended this year.

Dear Sir:-

We are holding the annual Oxford-Cambridge Dinner on Boat Race night at the Jericho Golf and Country Club on March 19th. Last year the Secretary sent notices to all persons whose addresses he had in Victoria and on Vancouver Island but with one or two exceptions no one attended our dinner from Victoria in view of the fact that you have your own dinner on Boat Race night.

This year we thought it advisable to send notices to Oxford-Cambridge men on Vancouver Island apart from the City of Victoria. We are enclosing herewith 15 notices and we should deem it a favour if you would kindly forward these to any Oxford-Cambridge men whom you think might be interested in attending the dinner at Vancouver.

Trusting that we are not putting you to any great inconvenience by this request.

It seems that there is to be a party of four of us from Seattle, Frank Holman, Shirl Blalock, Kenneth Cole, and myself. Kenneth Cole (St.Johns, '21) is not, I think, on your list; but he is now on the University of Washington faculty and his name should be added. Will you please reserve a place for him? Please do not try to arrange accommodation for us, as we know the hotels and much prefer not to inconvenience anyone.

Dear Mr. Holman:-

The annual Oxford-Cambridge Dinner will be held on Boat Race night at Jericho Golf Country Club at 7.30 P.M. on March 19th. You may remember that at the dinner last year you were good enough to suggest that you would forward the notices to any Oxford or Cambridge man in Washington and also in California as you are in touch with them and we are not aware of their addresses. We are attaching hereto a list of Oxford-Cambridge men in Seattle and Portland taken from the list which was prepared last year. We are also enclosing herewith 25 notices and we should deem it a great favour if you would kindly forward these to any Oxford-Cambridge men who you think might be interested in attending the dinner.

It has been thought best to reduce the price of the dinner in view of the present state of depression but we do not think that the attendance this year will be very large.

We trust that you yourself will be able to attend the dinner and we shall look forward to seeing you again and as many of your friends that you can induce to come.

Yours very truly,

Dear Sir.

Since writing to you I have discovered
the notice you sent me about the Varsity
dinner from which I see it is set for 7.30
at Juiches on Saturday evening.

For your information Mr. Little was at
Ch.Ch. 1920 - 23 and I was at Univ. 1919 to 1921.

I should like to play in the golf tournament
on Sunday morning if it can be arranged.

Yours faithfully,
